Subject: Briefing with Martin Next Week

Hi Victor,

Some ideas for the Uranium Mines (I don't know what to call it anymore!) site briefing.

- Name Change (Records and SEMS are fine with it, some pushback happening with finance and cost recovery)
- PA Community Outreach
- Potential SI issues
- Other Aspects (Dewey Burdock, South Dakota DENR, tribal consultation, etc.)

If Valois is there, we may want to go over Dewey Burdock first. I can meet Friday morning if you want to at the Brewing Market! Or I'll send over a draft agenda and you can revise. Up to you. You can reach me tomorrow and Thursday on my cell 719-237-8614.

Thanks,

Dania Zinner
